

MYSTERY DRIVE

"Where to now, Captains?" Tati asked.

"Now we have to deliver one to Aunt Miriam's best friend. Tati, please start the car and we'll show you how to go" Eli said grandly. Tati got behind the wheel and drove to the corner. Eli and Mindy consulted the map. "The amount of countries that Achashverosh ruled... Left." They worked together. The search for Aunt Miriam's best friend was on.

This map will really test your Purim knowledge. Here is how it goes: Go to "START" and follow the path. Each time you come to a junction (where the path splits into different directions), you have a question to answer. Then follow the path in the direction of the correct answer. You will be led to Aunt Miriam's best friend.

WORD SEARCH

"Nice going, Mindy!" Eli exclaimed as he took out a sheet his teacher had given him in school. "Can I help you?" Mindy asked, looking over his shoulder. "That looks challenging!" "All right," Eli agreed.

Help Eli & Mindy find the words at the bottom. They're all there BUT THE VOWELS ARE MISSING! Can you circle the words and fill in the vowels? (Vowels are the letters A E I O and U)
